LYRICS

Four and twenty years ago
I come into this life,
Son of a woman
And a man who lived in strife
He was tired of being poor
But he wasn't into selling door to door
And he worked like a devil to be more

A different kind of poverty now upsets me so
Night after sleepless night
I walk the floor and want to know
Why am I so alone?
Where is my woman, can I bring her home?
Have I driven her away?
Is she gone?

Morning comes the sunrise,
And I'm driven to my bed
I see that it is empty
And there's devils in my head
I embrace the many colored beast
I grow weary of the torment
Can there be no peace?
And I find myself just wishing
That my life would simply cease

Is all your life will ever be

Run, run rabbit run
Dig that hole, forget the sun,
And when at last the work is done
Don't sit down it's time to start another one
For long you live and high you fly
But only if you ride the tide
And balanced on the biggest wave
You race toward an early grave.

(and right after the last chord of Time theres...)
Breathe Reprise

Home, home again
I like to be there when UI can
When I come in cold and tired
It's good to warm my bones beside the fire
Far away across the field
The tolling of the iron bell
Calls the faithful to their knees
To hear the softly spoken magic spells.

[Verse 2]

Fearlessly the idiot faced the crowd
Smiling.
Merciless the magistrate turns round
Frowning.
And who's the fool who wears the crown?
No doubt,
In your own way
And every day is the right day
And as you rise above the fear-lines in his brow
You look down, hear the sound of the faces in the crowd.

I've been laying on my back
 Like a freight train off a track
 Trying to find a job to fit my trade
 With the morning sun come 'round
 Well I'll be covering plenty of ground
 And I don't need nobody to pay my aid
 Mmmm pay my aid

Now Bess and me were feeling bad
 And all the good jobs they were had
 I had to take to sweeping up some floors
 Well I don't mind that so much
 Or the changing of my luck
 But you know I could be doing so much more

Ba ba ba ba ba ba ba ba ba
 Ba ba ba ba ba ba ba ba ba
 Bip bip bip bip bip bip bip bip bip

Well I'll be coming home tonight
 Everything will be all right
 And we'll be looking at tomorrow

Repeat same chord pattern for entire song: C Cmaj7 C7 F D/F#

But I hear some people
have got their dream.
I've got mine.

I hear the mountains
are doin' fine,
Mornin' glory
is on the vine,
And the dew is fallin',
the ducks are callin'.
Yes, I've got mine.

Well, all those people,
they think
they got it made
But I wouldn't buy,
sell, borrow or trade
Anything I have
to be like one of them.
I'd rather
start all over again.

Well, all those headlines,
they just bore me now
I'm deep inside myself,
but I'll get out somehow,
And I'll stand before you,
and I'll bring
a smile to your eyes.
Motion pictures,
motion pictures.

92 Reminder - Radiohead

There are three different guitars playing in this song; I've put the Guitar 1 parts first and at the end you can find the other parts if you need them.

I've done this because the Guitar 1 parts are the most important, and to avoid confusion.

GUITAR 1

During the intro, Guitar 1 plays something like this:

```
e|-----|
B|----5-----|
G|-----9--9-9-----|
D|-----9-9-----|
A|-----|
E|-----|
```

Just vary a bit with this. Or just strum the E chord!

Verse 1:

Guitar 1 plays these chords in this order:

```
. EMaj7 C G Gmaj7 EMaj7
e|--0--|--3--|--3--|--2--|--0--|
B|--4--|--5--|--3--|--3--|--4--|
G|--1--|--5--|--4--|--0--|--1--|
D|--2--|--5--|--5--|--0--|--2--|
A|--2--|--3--|--5--|--1--|--2--|
E|--0--|-----|--3--|--3--|--0--|
```

Listen to the song for the strumming pattern.

```
E C G Gmaj7 E
If I get old, I'll not give in
And if I do, remind me of this
Remind me that Once I was free
Once I was cool Once I was me
```

```
E C G Gmaj7 E
And if I sit down and cross my arms
Hold me up to this song
```

Chorus:

```
D A C E
Knock me out, smash out my brains
C E B Am E
If I take a chair, start to talk shit...
```

Verse 2:

```
E C G Gmaj7 E
If I get old, remind me of this:
That night we kissed, and I really meant it
Whatever happens, if we're still speaking
Pick up the phone, play me this song
```

. C F G
So you've been where I've just come
. C F G
From the land that brings losers on

So we will share this road we walk

And mind our mouths and beware our talk
. C F E
Till peace we find tell you what I'll do
. Am Am/G F C
All the things I own I will share with you
. F C E
And if I feel tomorrow like I feel today
. Am Am/G F C
We'll take what we want and give the rest away

[Chorus]

Strangers on this road we are on

We are not two; we are one

[Verse]

. C F G
 Holy man and holy priest

 This love of life makes me weak in my knees

 And when we get there make your play
 . C F G
 Cos soon I feel you're gonna carry us away
 . C F E
 In a promised lie you made us believe
 . Am Am/G F C
 For many men there is so much grief

 And my mind is proud but it aches with rage

Chords Used (I used open for verse, and bar for "And everyone..." part)

	D	OR	D	A	OR	A	G	OR	G	Bm	C#m	G#	B	E
e	2		5	0		5	3		3	2	4	4	2	0
b	3		7	2		5	0		3	3	5	4	4	0
g	2		7	2		6	0		4	4	6	5	4	1
d	0		7	2		7	0		5	4	6	6	4	2
a	X		5	0		7	2		5	2	4	6	2	2
E	X		X	X		5	3		3	X	X	4	X	0

Chord placements on the words are approximate. Kind of hard to pinpoint. If worse comes to worse, just play the chord patterns with the song (D A GG Bm A DD) and worry about the words later. I put the approximate times that the chord is supposed to be played for each verse and segment of the song. In the third verse, first line, there are two A's played (listen closely). If you see a mistake, go ahead and correct it. Overall, the chords should be right. This is a great song by VU (my 2nd favorite). I spent a lot of time trying to get chords as close as possible. Enjoy it.

Note on the tuning:

She tunes it to CGDGAD, but I find it easier to tune the middle D up to an E to make the verse riff all linear (easier to barre)

118 Thrasher - Neil Young

I run this with capo 4

[Verse 1]

C
They were hiding behind hay bales,
. F C
They were planting in the Full Moon,
. C/B Am7 F G
They had given all they had for something new,
. C
But the light of day was on them,
. F C
They could see the thrasher coming,
. C C/B Am7 F G
And the water shone like diamonds in the dew.

F G
And I was just getting up,
. C F
To hit the road before its light,
. G C Cmaj7 Cmaj7 C
trying to catch an hour on the sun,
F G
When I saw those thrashers rolling by,
. C C/B Am7 Am/C
Looking more than two lanes wide,
. Dm7 G
I was feeling like my day had just begun.

[Verse 2]

. C
Where the eagles glide descending,
. F C
There's an ancient river bending,
. C C/B Am7 Am7/G F G
Down the timeless gorge of changes where sleeplessness awaits,
. C
I searched out my companions,
. F C
who were lost in crystal canyons,
. C C/B Am7 Am7/G F G
When the aimless blade of science slashed the pearly gates,

F G C F
It was then I knew I'd had enough, burned my credit card for fuel,
F G C Cmaj7 C
Headed out to where the pavement turns to sand,
. F G C C/B Am7 Am7/G
With a one-way ticket to the land of truth and my suitcase in my hand.
. Dm7 G
How I lost my friends I still don't understand.

[Verse 3]

C
 They had the best selection,
 . F C
 They were poisoned with protection,
 . C C/B Am7 Am7/G
 There was nothing that they needed,
 F G
 nothing left to find.
 . C
 They were lost in rock formations,
 . F C
 Or became park bench mutations,
 . C C/B Am7 Am7/G F G
 On the the sidewalks and in the stations, they were waiting, waiting.

F G
 So I got bored and left them there,
 . C F
 They were just dead weight to me,
 F G C Cmaj7 Cmaj7 C
 Better down the road without that load,
 F G
 Bring's back the time I was eight or nine,
 . C Am7 Am7/G
 I was watching my Mama's TV,
 . Dm7 G
 It was that great Grand Canyon rescue episode.
 . C
 With the vulture glides descending,
 . F C
 On an asphalt highway bending,
 . C C/B Am7 Am7/G F G
 Through libraries and museums, galaxies and stars.

[Verse 4]

. C
 Down the windy halls of friendship,
 . F C
 To the rose clipped by the bullwhip,
 . C C/B Am7 Am7/G F G
 The motel of lost companions waits with heated pool and bar.
 F G
 But me, I'm not stopping there,
 . C F
 Got my own row left to hoe,
 F G C Cmaj7
 Just another line in the field of time.

F G
 When the thrashers come I'll be stuck in the sun,
 . C Am7 Am7/G
 Like the dinosaurs in shrines,
 . Dm7 G
 But I'll know the time has come to give what's mine.

I blow the mesquite right up off of the sand
Seldom seen, especially when I land
I'm a treetop flyer, born survivor

(instr. break -- this is essentially a run on 3rd. frets of all strings)

[Verse 4]

The people they ask me, ‘‘Where’d you learn to fly that way?
It’s over in Vietnam chasin’ NVA
The government taught me, and they taught me right
Stay down under the tree line
And you might be alright
Treetop flyer

[Verse 5]

So I’m comin’ home, I’m runnin’ low and fast
I promised my woman, this is gonna be my last
I get the ship down, I tie her fast
And then somebody walks up and says
‘‘Hey son, wanna make some fast cash?
Treetop flyer

[Verse 6]

Well there’s things I am and there’s things I’m not
I am a smuggler and I could get shot
I ain’t gonna die, I ain’t gonna get caught
You see, I’m a flyin’ fool in an aeroplane
I’m just too hot
I’m a treetop flyer, born survivor

When you have no one
 No one can hurt you
 When you have no one
 No one can hurt you

In the corners there is light
 That is good for you
 And behind you, I have warned you
 There are awful things

Will you miss me when I burn
 And will you eye me with a longing ?
 It is longing that I feel
 To be missed for, to be real

When you have no one
 No one can hurt you
 When you have no one
 No one can hurt you

(bridge)

Will you miss me when I burn
And will you close the others' eyes ?
It would be such a favor
If you would blind them

There is absence, there is lack
There are wolves here abound
You will miss me when I turn around

When you have no one
No one can hurt you
When you have no one
No one can hurt you

When you have no one
No one can hurt you
When you have no one
No one can hurt you
